

Paper Lanterns

Paper Lanterns are an old party decoration favorite, they are a simple project for the kids and look great any time of the year.

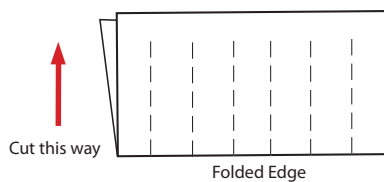

What you will need

- Assorted coloured paper squares
- Scissors
- Glue
- Coloured string or wool for hanging

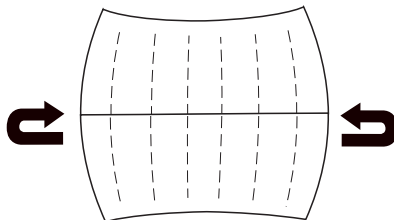

How To

Start with folding your paper square in half.

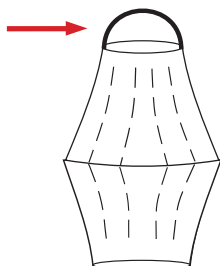

At approx 2 cms across, cut from the folded edge right up to approx 2cm from top.

Fold out square flat then fold in opposite direction to make rounded lantern, glue overlapping edges.

To make hanging handles for lanterns, simply cut strips of coloured paper and glue on top.

Thread lanterns onto coloured string and start decorating!!
